Subject: Application for Employment

Dear Hiring Manager,

I am writing to express my interest in the software engineering position at your esteemed company.

With a Post Graduation in Artificial Intelligence & Machine Learning from Caltech University and BSc in Computer Science from IIMTE, coupled with over 9 years of hands-on experience in the tech industry, I am excited about the opportunity to contribute my skills and expertise to your team.

Throughout my career I have demonstrated a strong aptitude for software development, and I possess both extensive experience and certifications in:

- Full Stack Development
- AI & ML Engineering
- Generative AI
- Data Science
- Cloud Computing

My experience spans across these five domains, where I have successfully led projects and delivered high-quality software solutions that meet and exceed client expectations.

I have taken great pride in creating a comprehensive portfolio website that showcases My Educational Background, Certifications, Work Experience, Completed Projects and My Skills.

For further details about me and my achievements, please visit <https://ksk-ventures.com/me>

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with the needs of your team.

Warm regards.

K Santosh Kumar
